To

C. Ranganatha Rao Saheb, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

I have the honor to state that S.No.21 of Kelagalale village
A-G
of the Manjarabad Taluk measuring 1-35 and assessed at Rs.8-8-0
was a Devadaya Inam endowed to Ramadevaru temple of the village
prior to inam Settlement when it was resumed to Government as
the temple was in ruins and enfranchised on full assessment but
the ~~khate~~ of the land continued to remain in the name of the deity.

The circumstances under which the occupancy of the land was
temporarily transferred to the present holder Thimmappaiya, -----
Shanbhog of the village are given in detail in the accompanying
copy of order in Revenue appeal case No.138 of 24-25 brought before
the Revenue Commissioner by the villagers who are contending to
get back the land for the institution. In pursuance of the orders
in the above case, the Deputy Commissioner has sent up the present
recommendation. The temple is reported to be in perfect repair
and as good as new and that the villagers are anxious to have --
regular puja to ensure which they want the ^{land} to be restored to the
temple as Inam, since it guarantees an income to the Pujari and
will be an inducement to him.

A copy of the Deputy Commissioner's letter and also of his
subsequent communication urging the reconversion of the land as
Inam to the temple is enclosed.

In this circumstance and in view of the fact that the ----
villagers have restored the institution from its ruined state at
considerable cost and that the grant of the land to be present --

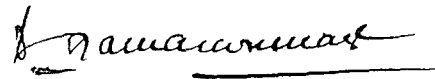

present occupant shanbhog Thimmappaiya was only
on a temporary tenure their request deserves all considera
beg that the reconversion of the land as recommended by the
Deputy Commissioner may be kindly sanctioned.

The connected records are herewith submitted for reference
and kind return.

I have the honor to be,

Sir,

Your most obedient servant,

Commissioner, Hassan District to the Muzrai Commissioner in Mysore.

Subject.

Conversion of land S.No.21 of Kelagalale village in the ----
Manjarabad Taluk as Devadaya Inam for the benefit of Sri Ramadevaru
temple at the place.

"With reference to your letter No.C.240 of 25-26 dated the --
21st September 1925 enquiring as to why some other land cannot be --
selected and given to the temple etc., I have the honor to state as
follows:--

There are 7 assessed Government waste lands as noted in the

S.No.	Extent	Assessment.	margin available for cultivation
5	1-34	5- 8- 0	
59	0-23	1-12- 0	in the village. The villagers

represent that all these lands are lying waste for a long time as
they are totally unfit for cultivation, that they are not willing to
have any of these lands as inam to the temple and that S.No.21 may
be reconverted as inam and endowed to the temple. The Amildar who
inspected all these lands reports that all of them are unfit for --
cultivation and that no useful purpose will be served in granting any
of them to the temple. The Sub Division Officer, Saklespur Sub ---
Division also opines that in the circumstances reported by the Amildar
S.No.21 may be taken back from Thimmappaiya and endowed to the temple
as Inam.

Thimmappaiya, the shanbhog of the village, knew when he applied
for the land, that the villagers were attempting to get back the land
to the temple and agreed to relinquish the land when the question ---
of reconverting it into inam was taken up (vide his mutchalika dated
4-11-03 enclosed in the file as pharist No.16). It was on this ---
express condition that the land was granted to Thimmappaiya for ---
temporary cultivation free of upset price. If at all, Thimmappaiya
has spent any money towards the improvement of the land, he has spent
it knowing full y well that he cannot, on this ground, have any ----
permanent claim to the land. He cannot dispute the reconversion of
the land which was granted to him for temporary cultivation as inam
and its restoration to the temple. The records disclosed that at the
villagers repaired the temple at considerable cost twice since the
resumption of the inam grant ~~was~~ with a view to get back the land

land to the temple and it will damp their enthusiasm

---is not granted.

Under the above circumstances, I request that sanction of Government may kindly be obtained for reconversion of Re S.No.21 of Kelagalale village measuring 1 acre 35 guntas, and assessed at Rs.8/8 as Inam for the benefit of Sri Ramadevaru temple at the place, a --- suitable Jodi being fixed in consultation with the Inam Superintendent.

Subject: Reconversion of land, No. 21, at Kurnaling 1 acre
55 guntas, assessed Rs. 8-0-0 of Kotagallu village
of Kurnaling Taluk.

Adverting to the fact that the Deputy Commissioner's Order in
No. 157 of 1925 (S. 1925) directed the
reconversion of the land to the Government, for the
reconversion of the land to the Government, and then directing its
use for the performance of the temple in the temple, I have to
state that the Sub Division Officer, Ballaspur Division
in accordance with the instructions contained in the last para-
graph of the Revenue Commissioner's order inspected the temple with the
landlord and has reported that the temple is in perfect repairs
and it is occupied by the villagers for very
purposes to have regular religious observances and therefore
be reconverted as land, and a view to the Government of India
to be reconverting the land to the Government for the purpose of
the temple.

It may be mentioned that the Sub Division Officer has
very much to do in view of the long enjoyment of the land
by the villagers, it is very difficult to convert the land to
for the land is converted to land. The question of the
one the lands in accordance with the instructions to the Government
of the temple and the land is very difficult to convert the land
accorded to the Government of India.

Thus the Deputy Commissioner, I recommend that the land be
reconverted to the Government of India.
